

The Ophthalmology center wishes invite applications for the post of junior/experienced Ophthalmologist to join the current team in Paris and Paris region.

Our ophthalmology centers (<https://www.doctolib.fr/centre-de-sante/paris/ophtalmologie-republique-paris>, https://www.doctolib.fr/centre-de-sante/herblay/ophtalmologique-herblay?highlight%5Bagenda_ids%5D%5B%5D=377631) are working in cooperation with local Municipality. Each center has agreements signed with National Health Service. The operating theatre is based in Paris region. We are looking for both consulting ophthalmology doctors and operating ophthalmology doctors. It could be students who have just completed internship and have just applied/will be applying for ophthalmology doctor's license and/or PhD/Postdoctoral students or experienced doctors.

We are offering as follows:

- Permanent full time employment contract;
- Working hours 9 to 18 (12 to 13 lunch break);
- Full medical insurance;
- 50 % coverage of public transport;
- The accommodation for the 1st month is provided and paid by clinic;
- No prior knowledge of French language is required, as all patients e-documentation is handled by doctors assistant. However the basics of English language would be an advantage;
- Doctors diploma/license approbation (so as to be valid in France) is to be handled by clinic administration;
- Salary depends on the interest of a doctor, i.e. on quantity of consultations and/or and experience of the doctor.

Please do not hesitate to contact me (ophtalmologiepersonnel@gmail.com and/or ophtalmologierepublique@gmail.com) and email with CV that I could arrange further details in regards to our announcement. Please also do not hesitate to inquire.

Appreciations to provide our announcement for concerning department and/or interested ophthalmologist directly.
